How to Start Using Our New Program Finder

For Non-Members

1. From The Center's homepage, thecentercv.org, click on "Explore Programs."
2. Select "Sign-up," your chosen membership level, and then proceed with your registration. This is required to register for any program, free or fee-based.
3. Once your account is confirmed (check your email), you'll be ready to register for programs.

For Active Members

1. From The Center's homepage, thecentercv.org, click on "Explore Programs."
2. Select "Log in" and enter your email address or phone number.
3. First-time users will be asked to create an account. Please enter a password and complete your profile information.

How to Find and Register for Programs

After you've updated or created your account, you can register for Center programs through our online Program Finder. Registration is required for many, but not all programs.

To search our programs and register:

1. Access the Program Finder from our homepage, thecentercv.org, or go to thecentercv.org/programs.
2. Search our upcoming program by entering keywords into the search bar or selecting a relevant category.
3. Once you find a program you want to be part of, click on "Register." (If you are not logged into your account, you will be promoted to do so.)
4. If prompted, select the date or dates you want, then click "Next."
5. Enter payment information if prompted.
6. Your registration is completed. You can confirm your current registrations by clicking on "Dashboard" on the Program Finder page.

New Feature: Bundle Your Programs!

Our Program Finder allows you to bundle multiple programs in your cart and pay for them together. All programs, paid or free, can be added.
